

Celebrate the Christmas  
Season  
with your Word Power Radio  
family  
6 o'clock Monday EVENING  
DECEMBER 12  
GOLDEN CORRAL  
{Dutch treat}  
Pastor Jacob Sutton will be  
our  
sing-a-long leader.

Thank you for being an essential part of the Word Power Family. This month we get quite serious regarding the birth of our Savior! We hope that each one can attend our celebration on the 12<sup>th</sup> as we sing His praises.

Every year we have a live Christmas sing-a-long with anybody who cares to come play and/or sing. When we can arrange for someone to spend a Saturday at the studio running the program, we'll try to set a date; keep listening for the date!

Seems there just aren't enough Sundays left this year for Eleanor and me to visit all of the churches that have so generously supported Word Power this year. We will try to get in to see you ASAP but it's going to be 'way into 2017 before we visit all of you. We sincerely pray God's special blessing on all churches that have supported Word Power over the years. Remember, there is no payroll for anyone at Word Power, Inc., including us, Eleanor and Paul.

**Read On: Amazing Grace at Work:**

Quite suddenly, the FCC has granted a CP (construction permit) to Word Power. Inc. to build a 250 watt FM translator, our 2<sup>nd</sup>, for WKZI, *provided that it is on the air repeating WKZI on FM prior to January 10, 2017.* Are we really rushed! The antenna is to be mounted about 350 feet above ground on a 360 foot tower just east of Jewett, IL. This tower was given to Word Power several years ago by Bolin's of Casey, IL. The coverage is expected to be practically as good as a full-power FM station. It will be licensed to Greenup, IL, as W300DD at the top of the FM dial, 107.9mHz. The equipment has been ordered. With good weather, we hope to go on the air prior to Christmas. Please pray that weather will permit required tower work to be completed safely soon. If it is not on the air prior to the 10<sup>th</sup> of January, all is forfeited, (Thanks to FCC Rules; extensions of time prohibited.) It's just amazing! So, therefore, Approaching year's end we look forward hopefully to receiving enough

tax-deductible year-end gifts to cover our many operating expenses. Please pray about the amount that God would direct you to share as we wrap up 2016 and begin 2017.

He has been faithful to Word Power for these twenty-three years. We think it is very important to spread His Gospel Message while we can because Our God is in charge of His Universe, and we have the wonderful honor to send out His Message to whosoever may be listening. We are blessed.

*Have a great holiday season.  
Eleanor, Paul &  
Precious Volunteers*
